Re: Response to 2 May 2007 Non-Final Office Action

Dear Examiner Baxter:

In response to the Office action of 2 May 2007, please amend the above-identified application as follows:

**AMENDMENTS TO THE CLAIMS** are reflected in the listing of claims which begins on page 6 of this paper.

The Applicant believes that the Examiner has not entered any prior amendments from the Applicant. Hence, the listing of Claims herein show all proposed amendments, collected and combined into one listing, as if no prior amendment was entered.

**REMARKS/ARGUMENTS**

The Applicant asks that the Amendments to the Claims, as attached below, are entered by the Examiner. The following remarks are made assuming those amendments are entered as requested.

Support for the amendments to Claim 1 comes from paragraphs 0047, 0048, 0059, 0061, 0062, 0064, and elsewhere in the original Specification, as well as Figures 3 and 12.

Claims 2-3, 5, 7, 9-10, and 12-14 are cancelled.
